Peanut and Tree Nut Policy

The SGCACC recognises the importance of protecting children that may suffer severe allergic reaction to peanuts, tree nuts and similar products.

AVOIDANCE IS THE ONLY TREATMENT TO PREVENT PEANUT, TREE NUT ALLERGIES.

N.B includes tree nuts, walnuts, hazelnuts, pecans, macadamias, pistachios, pine nuts, chestnuts, brazil nuts and Nutella.

Policy

- No child should be placed in a situation and/or environment that may endanger their life
- Parents will be advised of the policy and told not to provide peanut, tree nuts or similar nut products (peanut butter, Nutella, muesli bars, nut butters)
- If a child is known to have an allergy to peanuts, tree nuts and similar products, the parent/guardian will be required to provide an emergency/anaphylaxis action plan signed by a doctor, prior to enrolment. The plan must provide the child's symptoms and emergency procedure that must be followed in case of an allergic reaction.
- Parents/guardians must read the centre's peanut and tree nut policy, sign and date that they have read and understood the policy prior to enrolment.
- Children should not bring any food into the centre, please ensure the child has eaten their snack prior to class.
