General Business

- The Discovery Festival was well attended on Friday 10th October, however numbers were down on the next day – the day still went well.
- Water damage to the centre on 14th October. At 9.15 pm Bruce received a phone call from Pat Watson informing him the centre was flooded and the door was unable to be opened; water inside centre was 15cm deep. Bruce and Gilbert swept water out;

the carpet is still very wet. Council has been informed of this; they advised they would send maintenance staff to help with the problem.

- Market Day being held 25th October.
- Christmas Raffle: Donations are needed for the raffle; we need to start selling tickets as soon as possible.
- Bus Trip: Numbers are down for the next bus trip. Bruce will make enquiries with another bus company re cost of smaller bus for trips.
